November 22, 2006

Dear Friend:

We hate starting a letter "Dear Friend", but time is short and we apologize for that. But speaking of friends, our friend, Joyce Victory at the Silver Slipper Restaurant, is in dire need of our help.

You may know that late last summer Joyce was diagnosed with cancer of the colon. Since her diagnosis, she has undergone some very extensive chemo and radiation therapy treatments. She is now at the point where she cannot have any more treatments because her body would be unable to take them. However, the prognosis is not all that bad, but is "hopeful".

Joyce was unable to work for several months, but is back at work now on a very limited basis. Not being able to work has placed her in a serious financial situation and she needs our help.

Therefore, a fund raiser and reception for Joyce will be held at the Silver Slipper from 5:30 to 7:30 p.m. next Tuesday, November 28, 2006.

We sincerely hope you can join us at that time and any contribution, small or large (large is better), will be appreciated more than we can say. Checks should be made payable to Joyce Victory and if you can't attend the reception, how about dropping a check off at the Silver Slipper with Bill Kalfas.

Looking forward to seeing you at the reception we are,

Sincerely,

Jim K. Tillman
Bill Kalfas, Owner
